### Together We are Better

Thank you so much for thinking of Country Ace Hardware to help support your group in supporting our community. We are proudly locally owned and one of our core values is to be a contributor to the Grand County communities we serve.

Please take a moment to tell us about how we can best help. We typically review requests once per month, but if you are in a hurry please let an associate know and we will do our best to expedite your request. Please also attach any information you may have that further describes your event/request.

**Donation Request:** *Please be as specific as you can as to how Country Ace can best support your group/event.*

**Support of Country Ace:** *Please let us know how your group or event will support Country Ace as a result of our donation, i.e. name on event posters or mention in ad or anything else you will help us to grow our name in the community.*
